Schweizer Alpen-Club SAC  
Club Alpin Suisse  
Club Alpino Svizzero  
Club Alpin Svizzer

Dear guests, welcome to our hut. Respect for the following rules will make your stay and that of others more enjoyable. Your effort also helps us to maintain this mountain hut.

If there is a hut warden, please present yourselves to him upon arrival. The hut warden will assign your sleeping accommodations.

Fee reductions are only granted upon presentation of your membership card. In the absence of the hut warden, please leave the appropriate amount in the money box or pay by postal order.

There is no obligation to eat at the SAC huts but the hut warden will be happy to serve you meals and drinks.

In this hut, "lights out" is at 22:00. Dogs and other animals are not allowed in the sleeping areas.

After use, please fold the blankets, clean the rooms and the cooking area and wash the dishes.

In the absence of the hut warden, before you leave please extinguish the fire, switch off the lights and close windows, shutters and doors.

Medicines and rescue materials are available for emergencies. Please note in the registration book what you have used and pay for it.

Please contribute to the protection of the alpine environment by taking your garbage down to the valley and putting it into the appropriate containers.

A surcharge is required for private phone calls. If there is no hut warden, please follow the instructions in cases of emergency.

The hut warden is to ensure compliance with these rules but it is not his task to do what others have neglected to do.

Thank you for your cooperation and enjoy your mountain tours.
